Video Link	Title: Outdoor Co-Ordination Skills with Flipgrid	Level: Junior/ Intermediate			
		Time Breakdown:			
Flipgrid 	Learning Goal Objective: Demonstrate your skills with control and co-ordination with any type of ball. Add an extra challenge and recall three things you learned this year while maintaining the control of the ball. When finished recording your drill, pass the ball to the left!	Part 1	Part 2	Part 3	Part 4
		Educator Information and Overview	Accessing Flipgrid and demonstrating skill video	Guiding Questions and Lesson Launch	Consolidation and Lesson Review
Curriculum Connections	<ul style="list-style-type: none"> send, receive, and retain a variety of objects, while considering their position and motion in relation to others, equipment, and boundaries, while applying basic principles of movement 				
Recommended Tools	Office 365 Accounts, Flipgrid				
Lesson Plan	<p>Getting Started: On your Microsoft 365 account, create a new topic on Flipgrid.</p> <p>Guiding Question Examples:</p> <ol style="list-style-type: none"> How do you need to adjust your position when receiving a pass on the move? What are some tips you can share with a classmate to help them learn how to control a ball successfully with their feet? What are some safety considerations you need to think about while performing your skill? <p>Example – Co-Created Success Criteria for Students</p> <ol style="list-style-type: none"> Receive the ball from the right. Hold and control the ball with your feet or hands Demonstrate control and co-ordination by moving the ball from foot-to-foot or hand-to-hand Show a target (example: a net), aim the ball and shoot the ball in that direction Retrieve the ball and demonstrate the same skill again Pass the ball to the left side of the screen Provide meaningful feedback on a video posted by one of your peers <ul style="list-style-type: none"> – give them a shout out on something they did well on Watch your video, self-assess your skills <p>Action Tasks for Teacher:</p> <ul style="list-style-type: none"> Create a “New Topic” on your Flipgrid account (see video for full tutorial) Instruct and guide students with the above success criteria Watch, assess and give feedback on student performance videos with the provided assessment rubric <p>Consolidation:</p> <p>Watch, reflect and enjoy the videos posted by your students, share, and watch the videos as a class, discuss the importance of co-ordination in sports and tips to find success with this skill.</p>				
Assessment Rubrics	Student Self-Assessment (See Appendix A)	Teacher Score Card (See Appendix B)			
Resources	Microsoft Educator Center Course on Flipgrid	Flipgrid Features	Dribbling Demo
